

**Gulf Coast Ecosystem Restoration Council
Public Meeting for Draft Comprehensive Plan Update**

Webinar – Oct. 4, 2016

Principals:

Justin Ehrenwerth (Gulf Coast Ecosystem Restoration Council)

Additional Support: Jessica Henkel, Alyssa Dausman, John Ettinger, Kirsten Dorans, Buck Sutter, Heather Young, Jean Cowan

The meeting started at 2:00 p.m. and lasted approximately 36 minutes. There were approximately 38 people in attendance, not including Council staff and support.

Introductory remarks:

Justin Ehrenwerth provided a PPTX overview of the draft Comprehensive Plan Update.

The public comment began at approximately 2:20 p.m. and lasted about 8 minutes. Justin Ehrenwerth then gave closing remarks.

Public comments (2 speakers):

Doug Daigle, Lower Mississippi River Sub-basin Committee: Is there any potential for upstream watershed work on water quality improvement in Louisiana and Mississippi to help alleviate Gulf hypoxia?

Keith Wilkins, City of Pensacola: No response necessary and not a criticism of the work done but please impress upon policy makers to implement a significant revision to OPA 90, so next time the response, compensation and restoration is more timely.
