_____, 2017

Mr. Gary Rikard
Designated Alternate of the Governor of Mississippi
to the Gulf Coast Ecosystem Restoration Council
P. O. Box 2261
Jackson, MS 39225

Dear Mr. Rikard:

As the Acting Chairperson of the Gulf Coast Ecosystem Restoration Council (Council), I am pleased to approve the Mississippi State Expenditure Plan (SEP) submitted pursuant to the Spill Impact Component of the Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 (33 U.S.C. §1321(t)) (RESTORE Act). This approval is based on the finding from the Council's Acting Executive Director, Ben Scaggs, that the SEP is complete and meets all requirements contained in the RESTORE Act, the Department of the Treasury's implementing regulations (31 C.F.R. Part 34), and the Council's SEP Guidelines. On behalf of the Council, I commend Mississippi for developing a SEP that will contribute substantially to the cause of Gulf Coast ecosystem restoration.

The Council is committed to ensuring an efficient and effective process for funding the activities in the Mississippi SEP. Approval and disbursement of funding for specific activities in the SEP will be done through the grant process and standards established in 2 C.F.R. Part 200. Please note that funds for implementation of activities in the approved SEP will be disbursed after grant approval and Mississippi's verification of compliance with all applicable federal environmental and other laws. Council staff are available to assist you with this grant process to help ensure that it proceeds as expeditiously as possible.

Once again, I applaud the Mississippi Department of Environmental Quality on the development of a thoughtful and effective SEP. Our collective efforts under the RESTORE Act will help to ensure the long-term health and resilience of the Gulf Coast ecosystem.

Sincerely,
